

Kyoto University International Symposium : Frontiers in Biofunction

Kyoto University - University of Bayreuth Joint Symposium

**September 7-8, 2026
Kyoto, Japan**

**UNIVERSITÄT
BAYREUTH**

**京都大学
KYOTO UNIVERSITY**

Overview

The Kyoto University–University of Bayreuth Joint Symposium brings together researchers from Japan and Germany across diverse fields, including biopolymers, biochemistry, agricultural science, catalysis, and advanced materials chemistry. Through interdisciplinary exchange, the symposium promotes the sharing of ideas and expertise while fostering opportunities for future scientific collaboration.

Schedule

September 7, 2026 (Mon) 13:30–17:00

September 8, 2026 (Tue) 13:30–17:00

Venue

Inamori Hall, Shirankaikan

11 Yoshida-Ushinomiyacho, Sakyo-ku, Kyoto 606-8303, Japan
